## ONLINE WATCH PARTY KIT

### **What you'll want to have:**

- A device to watch the Online Experience with (preferably one that optimizes the viewing experience for your whole Watch Party).
- Something you all like to enjoy together - like hot chocolate or coffee or cookies.
- A space to watch together - whether it's a living room or a shared screen on a Zoom call.

### **How the Gift Experience at the end works:**

1. Make a plan for when you will all go shopping for each other.
  - Maybe you all go shopping together.
  - Maybe you go to different stores.
  - Maybe you come into this Watch Party having already shopped for each other.
2. Select a budget for each person.
  - It could be \$20 for everybody.
  - It could be \$5 for each person.
  - It could be a get-one-item-or-each-person-at-the-dollar-store budget.
  - It could be the [Under \\$10 page on Amazon Deals](#).
3. After you've gone out to select a gift for each person, set a time to meet up again and share the gifts. When you do...
  - Describe to each other why you picked that gift for that person. Affirmation is another gift that enhances your generosity.
  - Use this time to reflect on God's lavish generosity to us and praise him for it.

If this doesn't fit your situation exactly, that's ok! Tweak it, and make it your own! Who knows? Maybe this will become your new favorite Christmas tradition.

Merry Christmas and God bless!
